Invitation to submit a stage 2-proposal

Dear Applicant,

I am writing in connection with your proposal for the above-mentioned call.

Having completed the stage 1-evaluation, we are pleased to inform you that your proposal has passed to stage 2 and that you are invited to submit a full proposal. For calls with dynamic thresholds set out in the call conditions (if applicable), information on the minimum thresholds that were applied will be published in a topic update on the Portal.

Please submit your stage 2-proposal via the Funding & Tenders Portal Electronic Submission Service — **by 11 April 2024** at **17:00:00** (Brussels time).

To do so, please go to the 'My Proposals' tab via your Funding & Tenders Portal account. Access to the proposal system will be open as from tomorrow.

Please note that:

- you *must* submit a stage 2-proposal, if you would like to obtain funding
- funding will depend on a positive evaluation of your stage 2-proposal; this letter cannot in any way be regarded as an offer to fund your project
- the stage 2-proposal must be consistent with the stage 1-proposal and may not differ substantially
- the conditions remain those published in the call conditions
- the evaluation of the stage 2-proposal will be a completely independent evaluation exercise; the assessment of your stage 1-proposal will NOT be taken into account
- you will receive the evaluation summary reports (ESR) for both stages at the end of the stage 2

evaluation; for more information on the stage 1 evaluation results, please read the generalised feedback (published as topic update on the Portal within the next 14 days)

Please note that, according to the Horizon Europe Work Programme for Cluster 1 Health, for the topic you are applying for in stage 2 the eligible costs will take the form of a lump sum contribution as defined in the Decision of 7 July 2021 authorising the use of lump sum contributions under the Horizon Europe Programme.

Comprehensive guidance and background on lump sum funding under Horizon Europe (https://shorturl.at/emJOW) is available on the Funding & Tenders Portal. To get started, we recommend to read the guide Lump sum funding – what do I need to know (https://shorturl.at/qzGI4). This includes details on how to complete this Excel workbook.

It is recommended to use to Excel 2013 (Windows) / Excel 2016 (Mac OS) or more recent.

FAQ on own resources in lump sum proposals (https://shorturl.at/jAGU6).

I would be grateful if you could inform everyone involved in your proposal of this letter.

Yours faithfully,

Stephane HOGAN
